Summer Camp 2019

Week 2 July 8 – July 12	Monday Sensory	Tuesday Sensory Arts & Crafts	Wednesday Dramatic Play Physical Motor	Thursday Arts & Crafts Sensory	Friday Baking
<p>A Day at the Beach</p>	<p>Exploring Sea Life</p> <p>The ocean is so large and there is so much to see. We will be exploring with our hands looking for different sea life.</p> 	<p>Sand Castle Villages</p> <p>Today, we get to build tall sand castles while exploring with the soft sand texture in between our fingers.</p> 	<p>Fishing for Sea Creatures</p> <p>Fishing is an all-time favourite hobby. Today the children will put their skills to the test. Who can catch the biggest creature in sea?</p> 	<p>Discovery Bottles</p> <p>It is calming to watch different mammals and vegetation move under water, as it is unlike the atmosphere we are used to above ground. We will be making our own discovery bottles with some of our favourites from the sea.</p> 	<p>Teddy Bear Pudding Cups</p> <p>A day at the beach is a past time favourite activity during the summer days. Today we will be baking our own little piece of paradise in a cup.</p>

Summer Camp 2019

Week 4 July 22 – July 26	Monday Arts & Crafts	Tuesday Arts & Crafts	Wednesday Sensory Arts & Crafts	Thursday Arts & Crafts	Friday Baking
<h3>Creepy Crawlers</h3>	<p>Clothespin Chameleons</p> <p>Chameleons are unique creatures as they have the ability to change colors. We will be making our own clothespin chameleons that can move with the children.</p> 	<p>Tribal Lizard</p> <p>There are many different species and morphs of lizards on this Earth. The children will be creating their own morph of lizards to bring home.</p> 	<p>Bug Fossils</p> <p>Today we will be exploring the outer shell of many different bugs while creating fossils!</p> 	<p>The Very Hungry Caterpillar</p> <p><i>The Very Hungry Caterpillar</i> is one of our favourite stories to read at school. We will be painting with a masher to create our own hungry caterpillar.</p> 	<p>Ants on a Log</p> <p>This afternoon we will be making our own snack and there is no better way to end our week with ants on a log.</p> 

Week 5 July 29 – Aug. 2	Monday Sensory Exploration	Tuesday Art & Crafts Sensory	Wednesday Arts & Crafts Sensory	Thursday Arts & Crafts	Friday Dramatic Play Baking												
<h3>Where the Wild Things Are</h3>	<p>Nature Scavenger Hunt</p> <p>We will be taking the children outside to explore nature and collect objects, which they will then share with all of their classmates.</p> <p>Autumn Scavenger Hunt</p> <table border="0"> <tr> <td><input type="checkbox"/> A Red Leaf </td> <td><input type="checkbox"/> A Twig </td> </tr> <tr> <td><input type="checkbox"/> A Yellow Leaf </td> <td><input type="checkbox"/> A Flower </td> </tr> <tr> <td><input type="checkbox"/> An Orange Leaf </td> <td><input type="checkbox"/> A Blade of Grass </td> </tr> <tr> <td><input type="checkbox"/> A Green Leaf </td> <td><input type="checkbox"/> A Stone </td> </tr> <tr> <td><input type="checkbox"/> An Acorn </td> <td><input type="checkbox"/> A Winged Seed </td> </tr> <tr> <td><input type="checkbox"/> A Pinecone </td> <td><input type="checkbox"/> A Piece of Bark </td> </tr> </table>	<input type="checkbox"/> A Red Leaf 	<input type="checkbox"/> A Twig 	<input type="checkbox"/> A Yellow Leaf 	<input type="checkbox"/> A Flower 	<input type="checkbox"/> An Orange Leaf 	<input type="checkbox"/> A Blade of Grass 	<input type="checkbox"/> A Green Leaf 	<input type="checkbox"/> A Stone 	<input type="checkbox"/> An Acorn 	<input type="checkbox"/> A Winged Seed 	<input type="checkbox"/> A Pinecone 	<input type="checkbox"/> A Piece of Bark 	<p>Fireflies in a jar</p> <p>Fireflies are so fascinating! Today each child will make their own firefly jar, using glow paint, that they can take home to light up their room at night.</p> 	<p>Rain Sticks</p> <p>Today we will be talking about the different sounds we hear in nature. We will be making rain sticks so we can all practice making the sounds of rain.</p> 	<p>Bird Feeders</p> <p>Birds are a very important part of nature. Let's talk about different types of birds and what they eat. We will make our own bird feeders to hang on the trees outside.</p> 	<p>Campfire Fun</p> <p>Let's all join together to have a campfire outside. We will share stories and songs with all of our friends.</p>  <p>S'mores in a bag</p> <p>Who doesn't love s'mores! Each child put together their own smores in a bag.</p> 
<input type="checkbox"/> A Red Leaf 	<input type="checkbox"/> A Twig 																
<input type="checkbox"/> A Yellow Leaf 	<input type="checkbox"/> A Flower 																
<input type="checkbox"/> An Orange Leaf 	<input type="checkbox"/> A Blade of Grass 																
<input type="checkbox"/> A Green Leaf 	<input type="checkbox"/> A Stone 																
<input type="checkbox"/> An Acorn 	<input type="checkbox"/> A Winged Seed 																
<input type="checkbox"/> A Pinecone 	<input type="checkbox"/> A Piece of Bark

Summer Camp 2019

Week 6 Aug. 6 - Aug. 9	Monday	Tuesday Dramatic Play	Wednesday Sensory	Thursday Science	Friday Baking
<p style="text-align: center;">The Wheels on the Bus Go Round and Round</p>	<p style="text-align: center;">School Closed Bank Holiday</p>	<p>Adventure by Plane</p> <p>We dream of flying in the clouds and landing on a completely different continent. Today the children will get to play out their favourite dreams of flying.</p> 	<p>Pool Noodle Boats and Boat Racing</p> <p>Water effects how we move in many ways. Today the children will get to make their own pool noodle boat, then test them on the waters in a race.</p> 	<p>Baking Soda and Vinegar Powered Car</p> <p>Today we will be experimenting with the mix of baking soda and vinegar. We will watch how the components react by powering a bottle made car.</p> 	<p>Fruit Cars</p> <p>Cars are the most effective way of transportation used today. The children will be making their own cars to snack on this afternoon.</p> 

<p>Week 7 Aug. 12 - Aug. 16</p>	<p>Monday Science Sensory</p>	<p>Tuesday Science</p>	<p>Wednesday Science</p>	<p>Thursday Arts & Crafts</p>	<p>Friday Baking</p>
<p>Taste the Rainbow</p>	<p>Silly putty</p> <p>Science and sensory will be all rolled into one today when each child will get to make their own silly putty to take home.</p> 	<p>Walking Colors</p> <p>Today we will experiment with water travel and colour mixing. Using just cups, colored water, and paper towel we will watch the colours mix together as the water travels from one cup to the next.</p> 	<p>Skittles Rainbow Plate</p> <p>What happens when you mix rainbow skittles and water? Let's find out! Each child will be able to spray water on their own plate to see what happens.</p> 	<p>Rainbow Button Frames</p> <p>Let's get creative with buttons and rainbows. We will be making rainbow button frames to take home.</p> 	<p>Graham Cracker Rainbows</p> <p>Children love rainbows and today they will get to experience the excitement of making their own graham cracker and cream cheese rainbows to each with their classmates!</p> 

Week 8 Aug. 19 - Aug. 23	Monday Physical Motor	Tuesday Physical Motor	Wednesday Sensory	Thursday Physical Motor	Friday Baking
<h3>The Amazing Race</h3>	<p>Egg and Spoon Race</p> <p>We will be working on our coordination skills and impulse control as we race to the finish line, trying not to break our egg!</p> 	<p>Soccer</p> <p>Soccer is a popular sport to enjoy in the summer. Today we will put our foot skills to the test.</p> 	<p>Water Play</p> <p>Today we get to explore with water play! We will go through a variety of water stations to explore how water can affect movement in many ways.</p> 	<p>Obstacle Course</p> <p>The children will follow the course in a sequential order, working small and large muscles. The obstacle course challenges the use of different muscles while testing their spatial awareness.</p> 	<p>Medal Cookies</p> <p>Summer camp is successful because the children put in their all to learning and having fun. Today we celebrate another great summer with some delicious medals!</p> 

Thank you to all students and parents for another great summer!
